## Los Tesoros de Joaquín 2006 Petit Verdot

### VINEYARDS

Our 92-acre estate was first planted in 1884 and is sustainably farmed and hand-harvested. The Petit Verdot was grown in the Louis Mel Vineyard while the Barbera was grown in the Smith Ranch Vineyard.

### WINE STYLE

The Petit Verdot and Barbera were both fermented in stainless steel tanks prior to blending and bottling.

### FLAVOR PROFILE

Our 2006 vintage has tantalizing aromas of anise, sage, licorice, and black olive. Ripe black cherry flavors play up this well balanced wine, and medium tannins round out the finish. This is the perfect wine to enjoy with a hearty meal.

### VARIETALS

93% Petit Verdot, 7% Barbera

### AGING

The Petit Verdot was oak aged for 14 months prior to bottling. The Barbera was aged in stainless steel tanks prior to bottling.

### THE WINERY

Murrieta's Well is named after the legendary gold rush-era desperado, Joaquin Murrieta, who camped by the artesian well on the property on his way to Mexico to sell wild horses. As Joaquin traveled throughout the Livermore Valley rounding up horses to bring back to Mexico, he also searched for treasures to share with his family and friends. Today we continue this tradition of discovery with the wines of Los Tesoros – the treasures. Los Tesoros wines are sold only at Murrieta's Well winery and are selected by our founders, Sergio Traverso and Philip Wente, as true riches of the Livermore Valley.
